Product Category

Extra Virgin Olive Oil

Product

Tombazis Organic EVOO 500 ml

Single origin organic EVOO, World famous Koroneiki variety.

USPs

High in phenolic, Organic, Premium packaging, Multi Awarded EVOO, history dating back to 1921. First Greek olive oil to be awarded world wide in 1900 in Paris.

Company Profile

Our Grove is located in the seaside area of Galata Troizinias in the NE Peloponnese, opposite Poros island. The olive grove is 30 acres, where 1.240 olive trees of the Koroneiki variety are grown organically. Our history dates back in 1828 and since then our oil has been enjoying an ever greater reputation not only in Greece but also in other European countries. Our quality certificates and awards verify this every year.

Product

Extra Virgin Olive oil 500ml

It is a single origin organic extra virgin olive oil from the world famous Koroneiki variety. The olives are harvested in November when they are still ripe, thus ensuring their high levels of polyphenols. It is packaged in a dark 500ml glass bottle that protects the olive oil against oxidation. The special bottle flow regulator allows for proper flow of olive oil when served.

Extra Virgin Olive Oil

A single origin organic extra virgin olive oil from the world famous Koroneiki variety.

It is packaged in a dark 500ml glass bottle that protects the olive oil against oxidation. The special bottle flow regulator allows for proper flow of olive oil when served.

- ✓ Rich aromatic profile of fresh cut grass, green tomato and fresh herbs
- ✓ Balanced palette
- ✓ Bitter notes
- ✓ Spicy aftertaste

It best pairs with fresh green salads, fish, fresh pasta, grilled vegetables, and most raw preparations.

CONTAINER: Glass Bottle | BOTTLES/CASE: 12

The Company

The history of the estate begins in 1828.

The Tombazis olive oil is **the first Greek awarded olive oil!** It was awarded in the world famous 1900 Paris Exhibition with the World Gold medal. After that, Tombazis Estate became the exclusive olive oil supplier of the royal family of Greece.

The Harvest: The olives are harvested each year early November when they are still green thus ensuring their high levels of polyphenols.

We take care to collect our harvest in specially made baskets that allow the fruit of the olive tree to breath and remain intact without crushing.

- ✓ Our Extra Virgin Olive Oil is immediately filtered
- ✓ Stored in stainless tanks with the addition of nitrogen, in order to retain all of its organoleptic components fresh.
- ✓ Our quality certificates and awards verify this every year.
