

ANDRIOTIS® company is a family business, that has specializes in the collection, sorting and trading of olive oil, for over 50 years.

Nowadays, the company's management has been undertaken by the third generation, the grandchildren: Dimitris and George Andriotis, who decided to materialize a dream they have been envisioning since 2011, to the production of their own well-known olive oil, and its worldwide distribution.

WHO WE ARE

The company **ANDRIOTIS®** was founded on the island of Corfu in 1955, by Dimitrios Andriotis. The main activity of the company, was the collection of olive oil and its resale to large industries in Greece and other countries (Italy, Spain).
