

OLKAS

GREEK PRODUCTS & EXPORT SERVICES

OLKAS WAS THE COMMERCIAL SHIP
OF ANCIENT GREECE.
IT WAS WIDELY USED
TO CARRY WINES, OLIVE OIL
AND OTHER PRODUCTS.

about **OLKAS**

Our inspiration was the great variety of products you can find in different regions of Greece.

Extra virgin olive oil from Crete, mastiha from Chios, olives from Kalamata, fava from Santorini and wines from Yiannakochori are just a few unique products that will amaze you.

We aim to travel Greek delicacies all over the world and spread the word about Greek quality food products of exquisite taste.

OLKAS cooperates with producers and family owned businesses that place considerable attention to the production of their products.

Our partners offer Greek food products of excellent quality and unique taste in smart, and many times awarded packaging.

OLKAS promotes Greek food products, wines and spirits to foreign markets through well-organised specialised international events having achieved presence in Belgium, United Kingdom, Switzerland and United Arab Emirates.

We aim to place Greek delicacies in delishops, restaurants and luxurious hotels all over the world!

Why cooperate with us?

OLKAS

- has a wide range of products
as we cooperate with more than 40 producers
- can arrange mixed pallets with various products
from several producers minimizing
transportation cost
- can trace products in the Greek market
according to your needs

Olives&Oils

Extra Virgin Olive Oil

Greek Olive Oil is among the most famous olive oils in the world. It is known for each unique taste and several flavours can be found in different areas of Greece.

Extra Virgin Olive oil has acidity less than 0,8 and has rich, fruity flavour.

In the Hellenic territory there are nineteen (19) Olive Oils that are PDO and eleven (11) are PGI

Olives

Olive is a “blessed” fruit of the Hellenic land.

In different regions of Greece, you can find different types of Olives due to the microclimate the tree grows.

Kalamata, Chalkidiki, Throumba and Amfissa Olives are the most popular.

In Greece there are more than nine (9) PDO and one (1) PGI olives.

Wines&Extracts

Wines

Hellenic wines have a history of more than 4000 years. The very special features of hellenic land, the temperate climate, the soil, the altitude and also the microclimate developed more than 300 unique grape varieties that can only be found in Greece. Nemea, Santorini, Yiannakochori Naoussa, Lemnos are some areas well-known

for their unique wines and varieties such as Assyrtiko, Agiorgitiko, Xinomavro, Mavrodaphni & Messenikolas can only be found in Greece.

Spirits & Extracts

The great variety of fruits and vegetables cultivated in the Hellenic land since ancient times was the main reason for the great development of traditional spirits and extracts (ouzo, tsikoudia, tsipouro, etc) and Liquors. Some of them are unique; very well known worldwide such as ouzo.

Among the Greek Liquors the most famous is Chios Mastiha which is a unique product globally and can only be found on the island of Chios. Mastiha is a natural resin. It is a PDO product has a unique and a very special aroma.

Deli

The Greek nature in combination with the climate provide a unique opportunity to produce products with special features and exquisite taste. Herbs from different places, honey from mountainous areas, vinegars with herbs, pistachios, tahina, greek coffee, cherry tomatoes, traditional sauces and many more are just a few examples of traditional Greek products that distinguish mediterranean nutrition.

Cold&Iced

Dairy Products

There are many interesting Greek dairy products. Some of them have global recognition like feta cheese and Greek yoghurt. Also more than 21 PDO Greek cheeses can be found in different regions all of them characterised by unique features with many healthy nutrients and fantastic taste.

Cold cuts

Several types Meat and chicken cold cuts can be found in different Greek regions.

The way of preparation and the extensive use of herbs and extra virgin olive oil offer a unique flavour.

There are products from pork, veal and buffalo meat which can be combined excellently with Greek red dry wines.

Pastry-Pies

One of the most complex and delicious Greek food.

Key features of the pies are the pastry and the fillings.

The preparation of the pastry requires special technique, which differs from region to region. Savory pies made with cheese, spinach, leek, minced meat, onion and sweet with pumpkin and milk.
