MEDITERRANEAN RECIPES

All the benefits of Mediterranean Diet,
ready in a few minutes.

Kapasta Company was founded in 2014 by Kapageorgiou brother and sister. The pasta production factory is located at the 5th km of Serres-Thessaloniki N.R., Greece where high quality, durum wheat semolina short-cut pasta is produced.

Taking into consideration all the benefits of the Mediterranean Diet but also the requirements of the modern lifestyle, we created Kapasta meals which offer all the benefits of Mediterranean Diet in a few minutes. With 100% natural ingredients, without preservatives and chemical additives. Our main concern is to cover as many daily needs as possible on the main food categories of the pyramid's base, which are pasta, legumes and vegetables. Of course we also offer a variety of common and traditional short-cut pasta produced with high-quality local raw materials.
